Abstracts

Self-Sealing Ziplock Bags are plastic bags of simple design technology that include a ridge for opening and closure of bags allowing continual re-use. Resultantly, self-sealing zip lock bags are used for packing materials that have recurring usage and packing requirements. Self-sealing zip lock bags are also coated with paper and other material layers in order to meet packaging requirements of varied product categories. Self-sealing zip lock bags provide protection from moisture, heat and other atmospheric contaminants which make them a widely favoured choice of storage and packaging.
