### Abstracts

As we near the patent cliff of 2014, many of the Indian companies are choosing the Para IV route to grab a higher market share, both in value and volume. The impact of Indian companies can be gauged by the fact that Indian companies account for more than 50% of the ongoing litigations and they have secured 180-day exclusivity in 6 of the world's top 11 products under litigation.

This report is a comprehensive study of Para IV pipeline of the Indian companies and likely upside from each of the product for every company. Each product is studied as a case study and its opportunity is evaluated based on various aspects of the patent litigation.

The report will give you a clear understanding of the impact on the earnings of each of the Indian companies.

The report is priced at \$400. If interested, please reply to this e-mail and we will get back to you.
