Abstracts

According study of Market Research Engine, This exploration study breaks down the business sector for subsea manifolds as far as income. The subsea manifolds market has been sectioned on the premise of use and geography. For the research, the base year is 2015, while the forecast is for the period 2016-2023. Market information for the sum total of what fragments has been given on the territorial level to the period 2015-2023. The report gives a far reaching focused scene and highlights organizations occupied with the assembling of subsea manifolds. This report incorporates the key business sector progress influencing the interest for subsea manifolds internationally. The report likewise gives a point by point industry examination of the global subsea manifolds market with the assistance of Porter's Five Forces model. The Porter's Five Forces examination helps in comprehension the five noteworthy strengths that influence the business structure and benefit of the global subsea manifolds market. The powers dissected incorporate the dealing force of purchasers, haggling force of suppliers, danger of new contestants, risk of substitutes, and level of rivalry.

The high-level analysis provides detailed insights into the business of subsea manifolds globally. Real drivers, restrictions, and chances of the subsea manifolds business sector were broken down in point of interest and are shown in the report through charts and tables. There are right now couple of drivers which pull in interests in the subsea manifolds market. A standout amongst the most noticeable drivers is the expanding hydrocarbon disclosures in deepwater seaward territories. Investigation organizations working in these regions are presently putting resources into subsea advances to advance creation levels. Considerable installing so as to lessen in capital consumption can be accomplished subsea manifolds. These instruments decrease the quantity of flowlines and umbilical required in seaward creation exercises. The quantity of risers can

likewise fundamentally decreased by utilizing subsea manifolds. Market appeal analysis was done for the subsea manifolds industry on the premise of geography. Market engaging quality was evaluated on the premise of territorial parameters that specifically affect the business sector.

The subsea manifolds market has been portioned into two general classes on the premise of utilization as generation and infusion manifolds. The subsea manifolds business sector was examined crosswise over five topographies: North America, Europe, Asia Pacific, Latin America, and Middle East and Africa. Europe represented the significant piece of the overall industry as far as use on subsea manifolds in 2015. The North Sea, which is a dominantly shallow water area, represents a noteworthy offer of the oil and normal gas generation in Europe. Provincial information has been accommodated every sub-section of the subsea manifolds market. Key business sector members in the subsea complex assembling business incorporate Aker Solutions ASA, FMC Technologies, Inc., OneSubsea, and General Electric. The report gives a review of these organizations, trailed by their budgetary points of interest, business procedures, and late advancements.

The business sector size of subsea manifolds has been evaluated by examining the conceivable future subsea venture establishment patterns. Definite exploration on subsea interests in various locales has been attempted to appraise and conjecture the utilization and interests in the subsea manifolds industry. The global subsea manifolds market has been divided as beneath:

Subsea Manifolds Market: Application Analysis

Production Manifolds

Injection Manifolds

Subsea Manifolds Market: Regional Analysis

North America

Europe

Asia Pacific

Middle East & Africa

Latin America

Contents

CHAPTER 1 PREFACE

- 1.1 Report Description
- 1.2 Research Scope
- 1.3 Market Segmentation
- 1.4 Research Methodology

CHAPTER 2 EXECUTIVESUMMARY

- 2.1 Global Subsea ManifoldsMarket

CHAPTER 3 SUBSEAMANIFOLDS MARKET – INDUSTRY ANALYSIS

- 3.1 Introduction
- 3.2 Value Chain Analysis: Subsea Manifolds Market
- 3.3 Market Drivers
 - 3.3.1 Need For Increased Oil Recovery From Complex Offshore Reservoirs LeadingTo Development Of Cost Effective Subsea Manifolds
 - 3.3.2 Depleting Onshore Reserves Has Led Exploration And ProductionCompanies To Focus On Development Of Offshore Basins
 - 3.3.2.1 Global Offshore Oil and Gas ProductionEstimates and Forecast, by Region, 2015 – 2023 (Million Barrels/ Day)
 - 3.3.3 Ability To Adapt To Changing Operating Conditions Is ACrucial Feature Of Subsea Manifold Systems
- 3.4 Market Restraints
 - 3.4.1 Uncertainty In Crude Oil Prices Would Impact Profitability OfOffshore Operators Which Might Restrain Subsea Manifolds Market
- 3.5 Market Opportunities
 - 3.5.1 Increasing Demand For Petroleum Products In Future Is Expected To Boost Investment In Potential Offshore Hydrocarbon Reserves
- 3.6 Porter’s Five Forces Analysis: Subsea Manifolds Market
 - 3.6.1 Bargaining Power of Suppliers
 - 3.6.2 Bargaining Power of Buyers
 - 3.6.3 Threat of New Entrants
 - 3.6.4 Degree of Competition
 - 3.6.5 Threat of Substitutes
- 3.7 Market AttractivenessAnalysis of Subsea Manifolds, by Region (2015)

CHAPTER 4 GLOBAL SUBSEA MANIFOLDS MARKET: APPLICATION ANALYSIS

4.1 Global Subsea Manifolds Market: Application Overview

4.1.1 Global Subsea Manifolds Market, Revenue Share by Application, 2015 and 2023

4.2 Production Manifolds

4.2.1 Production Manifolds Market Estimates And Forecast, 2015 –2023 (USD Million)

4.2.2 Production Manifolds Market Estimates And Forecast, By Region, 2015 – 2023 (USD Million)

4.3 Injection Manifolds

4.3.1 Injection Manifolds Market Estimates And Forecast, 2015 –2023 (USD Million)

4.3.2 Injection Manifolds Market Estimates And Forecast, By Region, 2015 – 2023 (USD Million)

CHAPTER 5 GLOBAL SUBSEA MANIFOLDS MARKET: REGIONAL ANALYSIS

5.1 Global Subsea Manifolds Market: Regional Overview

5.1.1 Global Subsea Manifolds Market, Revenue Share by Region, 2015 and 2023

5.2 North America

5.2.1 North America Subsea Manifolds Market Estimates And Forecast, 2015 – 2023 (USD Million)

5.2.2 North America Subsea Manifolds Market Estimates And Forecast, By Application, 2015 – 2023 (USD Million)

5.3 Europe

5.3.1 Europe Subsea Manifolds Market Estimates And Forecast, 2015 –2023 (USD Million)

5.3.2 Europe Subsea Manifolds Market Estimates And Forecast, By Application, 2015 – 2023 (USD Million)

5.4 Asia Pacific

5.4.1 Asia Pacific Subsea Manifolds Market Estimates And Forecast, 2015– 2023 (USD Million)

5.4.2 Asia Pacific Subsea Manifolds Market Estimates And Forecast, By Application, 2015 – 2023 (USD Million)

5.5 Middle East & Africa (MEA)

5.5.1 MEA Subsea Manifolds Market Estimates And Forecast, 2015 –2023 (USD Million)

5.5.2 MEA Subsea Manifolds Market Estimates And Forecast, By Application, 2015 – 2023 (USD Million)

5.6 Latin America

5.6.1 Latin America Subsea Manifolds Market Estimates And Forecast,2015 – 2023
(USD Million)

5.6.2 Latin America Subsea Manifolds Market Estimates And Forecast,By Application,
2015 – 2023 (USD Million)

CHAPTER 6 COMPANY PROFILES

6.1 ABB Limited

6.1.1 Company overview

6.1.2 Financial overview

6.1.3 Business strategies

6.1.4 Recent developments

6.2 Aker Solutions ASA

6.2.1 Company overview

6.2.2 Financial overview

6.2.3 Business strategies

6.2.4 Recent developments

6.3 Baker Hughes Incorporated

6.3.1 Company overview

6.3.2 Financial overview

6.3.3 Business strategies

6.3.4 Recent developments

6.4 Dril-Quip Inc.

6.4.1 Company overview

6.4.2 Financial overview

6.4.3 Business strategies

6.4.4 Recent developments

6.5 FMC Technologies Inc.

6.5.1 Company overview

6.5.2 Financial overview

6.5.3 Business strategies

6.5.4 Recent developments

6.6 General Electric

6.6.1 Company overview

6.6.2 Financial overview

6.6.3 Business strategies

6.6.4 Recent developments

6.7 ITT Bornemann GmbH

6.7.1 Company overview

- 6.7.2 Financial overview
- 6.7.3 Business strategy
- 6.7.4 Recent developments
- 6.8 One Subsea
 - 6.8.1 Company overview
 - 6.8.2 Financial overview
 - 6.8.3 Business strategies
 - 6.8.4 Recent developments
- 6.9 Siemens AG
 - 6.9.1 Company overview
 - 6.9.2 Financial overview
 - 6.9.3 Business strategies
 - 6.9.4 Recent developments
- 6.10 Subsea 7S.A.
 - 6.10.1 Company overview
 - 6.10.2 Financial overview
 - 6.10.3 Business strategies
 - 6.10.4 Recent developments
- 6.11 Technip S.A.
 - 6.11.1 Company overview
 - 6.11.2 Financial overview
 - 6.11.3 Business strategies
 - 6.11.4 Recent developments
