## **Abstracts**

The Global Armored Vehicle manufacturing industrial base is gearing up for an upswing after a long hiatus driven by a traction being witnessed in defense spending across most key markets focused on recapitalization of core assets driven by an evolution of the traditional world order & emerging geo-political dynamics & equations with the resurgence of Russia and rapid build-up of military capabilities by China. In the North American market, the rolling out of some key, big ticket scratch up and upgrade programs as of late has already upped the ante for the industry with the U.S. Army planning a rapid as well as comprehensive upgrade & modernization of its combat vehicle platforms.

The European scenario is no different with the traditional armor stronghold facing a hectic pace of activities with the looming, credulous Russian threat backed by third generation armor as well as related technological advances and increasing Russian activities in Eastern Europe & the Baltics having already driven a significant increase in defense spending across a number of states based in Northern as well as Central Europe, in addition, to the Baltics with a significant focus & emphasis being placed on land forces and armor given the geographic location and proximity of these states to Russia. Middle East and Asia-Pacific regions are going to be other key growth regions for armored vehicles with ongoing political conflicts in the Middle East being the core demand driver for military hardware as already witnessed by the placement of a number of big ticket orders for armored vehicles by Saudi Arabia. In the APAC region, Australia and India are poised to be key growth markets over medium term with these nations having already initiated key replacement programs and scheduled to place multi-billion

dollar worth of orders for procurement of new armored vehicles.

Against this backdrop, the report analyzes the overall strategy focus and provides Insights into & Comprehensive analysis of the Strategies & Plans being conceptualized & pursued by GDCS (GDLS & GDELS) for the medium term horizon.
