## Abstracts

The Global Military Helicopter Market is likely to witness a steady growth over near to medium term driven by an increase in defense spending globally spearheaded by a number of strong, sustainable drivers originating from both demand as well as supply side which are likely to propel global demand for military helicopters over the next decade. The growth opportunities in the global military helicopters market are likely to be distributed across key markets and regions, however, North America and the Asia-Pacific are likely to be the key pivots through 2025 followed by Europe & the Middle East.

Replacement demand & capability expansion are likely to be the key drivers of global demand for military helicopters over the next decade followed by growing threat from terrorism and political conflict & extremism across some regions with the pursuit of a number of large, big ticket programs already initiated, awarded or in the pipeline stage across key markets & regions. Next generation technologies underpinning expanded capabilities are likely to hold the key across traditional markets while proven platforms & technologies along with cost effectiveness are likely to be critical across emerging markets. Amongst market segments, utility & transport helicopters is likely to spearhead & lead global market demand through 2025.

This unique annual report analyzes the global market for military helicopters followed by its potential evolution as well as likely demand scenario through 2025 and identifies as well as outlines key growth opportunities that are likely to emerge across key markets & regions. The report further looks at the relative strategic positioning of key industry OEMs to be able to capitalize on these emerging growth opportunities effectively based on a multi-pronged, integrated analytical perspective accompanied by a quantitative, comparative analysis and ranking of industry OEMs on key strategic factors.

## Relevance & Usefulness:

This report is one of its kind which analyzes & focuses on potential growth opportunities across markets from a dual perspective comprising of program level analysis along with competitive scenario and comparative analysis of OEMs to be able to capitalize on them. The report will be useful for:-

Identification of Key Markets & Regions which are likely to hold the Key to Growth through 2025

Identification & Analysis of Upcoming, Key Military Helicopter Programs across Markets & Regions

Adjustment & Alignment of Overall Strategy Focus and Resource Allocation for OEMs & Key Industry Players across Value Chain

Strategic Planning, Assessment & Decision-Making Processes

Development of Custom, Market-specific Strategies aligned with Potential Growth Opportunities

Formulation, Development & Shaping of Business Growth Strategies

Conceptualization, Development & Shaping of Product Platform Specific Strategies

Relative Analysis of Competitive Scenario for Upcoming Military Helicopter Programs

Comparative, Quantitative Analysis & Ranking of Leading, Global Industry OEMs based on Key Strategic Factors

Medium Term Market Outlook, Inputs on Market Evolution & Demand Growth

## For Whom:-

The report is essential & a must have for Senior Industry Personnel and all those with

strategic interest & stakes in the Global Military Helicopter Market. The report will be extremely useful for Key Decision-Makers, Program Managers, Procurement Managers, Defense Contracting Executives & Departments, Top Management of Industry Players & Other Companies, Industry OEMs, Suppliers, Vendors, Associated Equipment Manufacturers and other Key Players in the Industry Value Chain. The report will also be useful for existing & potential Investors, Industry & Company Analysts, M&A Advisory Firms, Strategy & Management Consulting Firms seeking/working on client projects, PE Firms, Venture Capitalists, PR & Advertising Agencies seeking/working on projects, Researchers and all those associated with the industry.

Features, Benefits & Reasons to Procure:-

The report is unique and one of the most thorough resources on the Global Military Helicopter market featuring a combination of quantitative and lucid qualitative analysis enriched significantly by visual representation & overall presentation style and thus will be a significant value-add for industry professionals looking for the competitive edge.

Provides Macro View and Big Picture Quickly

Blend of Quantitative & Qualitative Analysis

Significant Time Savings

Visual Representation

Meetings & Presentation Ready Format

Superior & Enriched User Experience with Incorporation of Relevant Images

## Contents

### **SECTION – 1**

Global Military Helicopter Market

Market Overview

Market Size

Key Demand Drivers

Key Market Segments

Global Military Helicopter Fleet by Region

### **SECTION - 2**

Competitive Landscape - Global Market for Military Helicopters

Market Share by OEMs for 2015

Helicopter Shipments by OEMs for 2015

Helicopter deliveries split by Platforms & Programs across Key OEMs for 2015

### **SECTION – 3**

Growth Opportunities in the Global Military Helicopter Market – Near to Medium Term

### **SECTION – 4**

Comparative Analysis & Quantitative Ranking of Key Industry OEMs on Strategic Factors

### **SECTION – 5**

Key Trends

Market Trends

Technology Trends

### **SECTION – 6**

Key Issues, Challenges & Risk Factors

### **SECTION – 7**

Global Military Helicopter Market – SWOT Analysis

## **SECTION – 8**

Global Military Helicopter Market – Force Field Analysis - Analysis of Driving & Restraining Forces and their Overall Dynamics

Driving Forces

Restraining Forces

## **SECTION – 9**

Strategic Market Outlook – 2016-2025

Analysis of Emerging Market Scenario

Demand Outlook & Growth Projections for Military Helicopters through 2025

## I would like to order

Product name: Growth Opportunities in the Global Military Helicopter Market - 2016-2025
