Abstracts

The 2021 annual edition of the strategy dossier report analyses the overall Strategy Focus and provides key insights into the Strategies & Plans being conceptualized & pursued by Gulfstream Aerospace Corporation for the near to medium term horizon in a complex and highly challenging market environment with the global economy reeling under the pressure of COVID-19 pandemic with the global business jet market faring much better than commercial aviation, marking a major departure from the usual trend, witnessing a strong uptick in fleet utilization levels by late 2020 and projected to make a recovery to the pre-COVID levels by mid-2021. Gulfstream has been the undisputed leader in the ultra long range jet segment of the business aviation market for over a decade now, since the launch of the G650, with a strong & well-developed product portfolio & superior market positioning further strengthened by the launch of its latest, most spacious & longest range G700 program in Oct 2019 which takes on the Bombardier's Global 7500 and is scheduled to enter service in 2022 taking the traditional arch-rivalry to the next level.

Against this backdrop, the report provides a comprehensive analysis on the company starting with a detailed business and financial snapshot, incorporating charts, tables and analysis based on latest financial statements. An insightful & comprehensive SWOT framework analysis is also provided; which is used extensively for scanning, assessment & analysis of the internal as well as external business environment of an organization as part of strategic planning process. The framework generates a snapshot of the company's inherent strengths & weaknesses as part of the internal environment assessment and outlines potential growth opportunities as well as threats as part of the

external environment assessment.

The report also incorporates analysis & review of key market, technology & industry trends along with issues & challenges which are likely to impact and shape industry's future over near to medium term. The report also identifies key driving & restraining forces for the industry & assesses their potential degree of impact through a force field analysis. The report concludes by providing a comprehensive outlook & demand growth projections for the Global Business Jet market encompassing key market segments & key geographic markets & regions over medium term.

Relevance & Usefulness:
