Abstracts

This Strategic Report Analyzes & provides Insights into the Key Strategies, Plans & business outlook for Renault Group for the year 2012 based on a comprehensive assessment of company's global business operations & strategic orientation against the backdrop of an evolving market landscape & industry backdrop; marked by significant global environmental turbulence amid difficult overall macroeconomic conditions emanating from rising uncertainty over the widening Euro-zone debt crisis as well as rising U.S. fiscal deficit, debt level & an unfavourable balance of trade situation.

This comprehensive report on Renault Group will provide & will be useful for:

Incorporating Analysis as Vital Inputs into the Strategic Planning & Decision-Making Process

Comprehensive Strategic Assessment based on a relative assessment of Strengths & Weaknesses

Assessment & evaluation of degree of responsiveness to the external environment

Identification & Analysis of Imminent Market Opportunities & Emerging Potential Threats

Gaining access to Key Industry as well as Market Trends & Insights; crucial inputs for Decision-Makers

Identifying & highlighting areas for Potential Strategic Changes, Adjustments & Realignment

The analysis will be essential for those having strategic interest in the company or the industry & will be especially useful for key decision makers, top management of companies, suppliers, vendors, current & potential investors, industry & company analysts & those associated with the industry or the company.

The report is comprehensive yet concise & compact at the same time, built on the Microsoft PowerPoint platform; thus enabling & ensuring prompt and informed decision making.
