Abstracts

The report analyzes the Overall Strategy Focus and provides Insights & Comprehensive analysis of the Strategies & Plans being conceptualized & pursued by Sany Heavy Industry Co. Ltd. for the medium term horizon against a dismal industry backdrop with continued demand slump for new construction machinery across most key global markets & regions led by China & Latin America. The report also includes an insightful & comprehensive SWOT framework analysis on the company; which is used extensively for scanning, assessment & analysis of the internal as well as external business environment of an organization as part of the strategic planning process. The framework generates a snapshot of the company's inherent strengths & weaknesses as part of the internal environment assessment and outlines potential growth opportunities as well as threats as part of the external environment assessment.

The report also incorporates analysis of key industry trends, issues & challenges, risk factors besides identifying key driving & restraining forces & assessing their potential degree of impact through a force field analysis. The report concludes by providing market outlook for near to medium term.

Relevance & Usefulness:

The report provides insights & inputs to be incorporated into the broader strategic planning & decision making processes and will be essential from a competitive analysis standpoint as well.

The report will be useful for:

Strategic Planning & Decision-Making process
