Abstracts

This strategic report provides key insights into the strategic business aspects of Scania AB based on a holistic assessment as well as comprehensive analysis of business structure, performance, strategies, plans, initiatives & outlook against the backdrop of an evolving industry landscape & shifting global dynamics with the industry facing significant pressures from the ongoing slump in economic activity across key traditional markets. Most leading industry OEMs, however, continue with their focus on development of new platforms as well as sustainable alternate fuel based powertrain technologies aimed at enhanced operating economics, in addition, to continued efforts towards further strengthening & deepening of existing presence across emerging markets in order to capitalize on growth opportunities more effectively. Overall, the global truck market is projected to grow at 3%-4% annually over the medium term till 2020 with strong growth prospects over the long-term.

This report on Scania AB also includes an insightful SWOT framework analysis on the company; which is used extensively for an assessment of the internal as well as external business environment of an organization as part of the strategic planning process. The framework generates a snapshot of the company's inherent strengths & weaknesses as part of the internal environment assessment and outlines potential growth opportunities as well as threats as part of the external environment assessment.

Useful for:

The report provides insights & inputs to be incorporated into the broader strategic planning & decision making processes and will be essential from a competitive analysis standpoint as well.

The report will be useful for:

Competitive Assessment as well as Comprehensive Strategic Business Analysis

Assessment & evaluation of company's degree of responsiveness as well as strategic orientation towards the External Environment

Gaining access to Key Inputs to be incorporated into the Strategic Planning & Decision-Making Process

Identification of Opportunities which could be capitalized upon
