Abstracts

This new report and database analyse the global Transmission and Distribution market, providing a general overview of the T&D industry. Our team of analysts, backed by the vast data we have collected, have created this industry analysis and forecasted data to 2016 for key sectors of the industry. The database is the main focus of the product and as such contains the important forecast information and current figures. The database consists of 1 Global Data Summary and 9 individual Region Microsoft® Excel (.xlsx) files. The report element of the T&D product presents a background to the Electrical Supply Industry giving an historical overview of the industry before delving deeper into the state of the industry at present and looking towards the future. As well as explaining the various sectors of the industry as defined by NRG Expert and used in the Database, the report provides a comparative overview of Annual Demand for T&D Equipment, Capital Expenditure and Installed Lengths for 36 of the 180 countries contained in the database.
