## **Abstracts**

**Aftershave Market Insights – Market Size, Share and Growth Outlook**

The Aftershave market is expected to register fluctuating growth trends in the long term, while inflation and supply chain concerns are expected to continue in 2023.

Shifting consumer preferences in a projected economic downturn scenario, amendments to industrial policies to align with growing environmental concerns, huge fluctuations in raw material costs triggered by prevailing geo-political tensions, and expected economic turbulences are noted as key challenges to be addressed by the Aftershave industry players during the short and medium term forecast.

The Global Aftershave Market Analysis Report is a comprehensive report with in-depth qualitative and quantitative research evaluating the current scenario and providing future Aftershave Market potential for different product segments with their market penetration in various applications and end-uses, over the next eight years, to 2030.

**Aftershave Market Strategy, Price Trends, Drivers, Challenges and Opportunities to 2030**

Aftershave market players' investments will be oriented towards acquiring new technologies, securing raw materials, efficient procurement/inventory, strengthening product portfolios, and leveraging capabilities to maintain growth during challenging times. The economic and social challenges are noted to be highly varying between different countries/markets and Aftershave manufacturers and associated players are focused on country-specific strategies.

Crude oil prices fluctuating to the tune of \$60/barrel in one year are emerging to be a key concern for the Aftershave market, as fuel and chemical prices are impacting many other segments.

Uneven recovery in different end markets and geographies is a key challenge in understanding and analyzing the Aftershave market landscape.

Concerns of global economic slowdown, the Impact of war in Ukraine, lockdowns in China with resurging COVID cases, and the Risks of stagflation envisaging numerous market scenarios are pressing the need for Aftershave industry players to be more vigilant and forward-looking. Robust changes brought in by the pandemic COVID-19 in the Aftershave supply chain and the burgeoning drive for a cleaner and sustainable environment are necessitating companies to alter their strategies.
