Scope of the Research Work

Supply Demand Balance for Oil, Gasoline, LPG, Diesel and Fuel Oil from 2005 to 2025

Terminal wise storage capacity from 2005 to 2020

Storage terminal details including location, operator, owners, tanks, commodity stored, start up, investment and construction

Competitive Landscape details including market shares of leading companies and their net weighted capacities

Market Structure

Details of all planned projects including new build storage terminals and expansions

Potential drivers and challenges for national and foreign companies to 2020

Business Profiles of leading Morocco storage operators

oil and gas storage news, deals and events in Morocco storage sector
