Tata Consultancy Services Limited (TCS)- Margins at Historic Highs - Fundamental Company Report Including Financial, Business, Recent Development, Industry Overview, Competitors and Key Risk Analysis

Incorporated in 1968, today TCS is the largest IT service firm in Asia. TCS is the flagship company of the world famous Tata Group. The company provides IT solutions and services. TCS is the world's first organization to achieve an enterprise-wide Maturity Level 5 on both CMMI® and P-CMM®, using the most rigorous assessment methodology - SCAMPISM. Additionally, TCS' Integrated Quality Management System (iQMS™) integrates process, people and technology maturity through various established frameworks and practices including IEEE, ISO 9001:2000, CMMI, SW-CMM, P-CMM and 6-Sigma.

Excellent execution and constant focus on customers helped the company to perform well in FY11. At present the deal pipeline and demand environment is stronger than the previous year. In the current fiscal also, the company will concentrate on maintaining the volume growth. To maintain margin, TCS will try to improve the productivity of some of its business units. In the coming time, TCS will continue to shape the adoption of next generation technologies by investing in areas like, mobility, analytics, social media and sustainability solutions.
