## Abstracts

This market research report on Global Anti-Aging Market published by Orion Market Research presents in-depth analysis of Anti Aging market by demography, industry, products, services, devices and geography.

### Market Insights

The market is expected to grow at a CAGR of 8% from 2016-2021, owing to the increase in rapidly aging global population. Increasing per capita income along with rising expenditure on anti aging products and procedures are also stimulating the market. Furthermore, technological advancements and innovations in men's anti aging products and organic anti aging products are also expected to boost market growth during the forecasted period.

### Geographical Insights

Currently North America leads the market due to higher expenditure on anti aging products and sophisticated healthcare infrastructures. However APAC is expected to be the fastest growing market owing to increasing healthcare expenditures and improving awareness.

### Competitive Insights

Allergan, Beiersdorf, L'Oreal, Chanel, Christian Dior, Clarins USA, Elizabeth Arden, Ella Bache, Estee Lauder, Henkel, Johnson & Johnson, Orlane, Procter & Gamble, Revlon, Robanda International, Shiseido and Unilever Group are some of the major companies profiled in this report.
