Abstracts

This survey consists of 13 multi-segmented questions about trends in contact center outsourcing.

30 senior executives at leading manufacturers in North America, Europe and Australia/New Zealand were interviewed.

Telephone-based research (not online):

each in-depth interview lasted approximately 30–45 minutes.

local language-speaking researchers were used to conduct the calls.

The data presented in this slide pack was collected as part of a multi-sector study on contact center outsourcing procurement trends, published in September 2009.
