Abstracts

Ovum's quarterly NGA policy & regulation tracker provides you with an authoritative understanding of the regulatory developments in next-generation access (NGA) as they happen.

It is global in scope and, from the fourth quarter of 2009 onwards, will feature updates from the following regions:

- Europe
- Americas
- Asia-Pacific
- Middle East and Africa

As well as providing a comprehensive overview of the regulatory treatment of fibre, we will also track:

- detailed information on how fibre access tariffs are regulated and the associated cost-modelling
- how regulators are making the trade-off between competition and investment
- the investment coming from governments and how this is shaping the landscape
- the active consultations that are taking place.
