Date: June 2016

Pages: 43

Price: US\$ 3,500.00 (Single User License)

ID: S9002EBCAB3EN

Abstracts

This report provides an overview of the residential security market in Europe. It also presents issues that challenge the many companies seeking a piece of the European marketplace for security systems and adjacent smart home products and services. In sum, it provides a working knowledge of today's residential security services, smart home products designed for peace of mind, and industry players. The report profiles the householders who have adopted security.
