Video Piracy: Ecosystem, Risks, and Impact

https://marketpublishers.com/r/VCCAB8219020EN.html
Date: October 2019
Pages: 98
Price: US$ 3,500.00 (Single User License)
ID: VCCAB8219020EN

Abstracts

The evolution of video services has changed consumption patterns as well as the dynamics of content and service piracy. Credential sharing, app-based sharing, and illegal live streaming have ushered in a new age of digital pirates and attitudes among consumers regarding fair use. This report examines trends in content piracy and methods for stopping these emerging piracy methods. It also provides a five-year forecast for the impact of piracy on the video industry.
