Abstracts

This report mainly studies the automatic dog water dispensers. To ensure proper water supply for dogs over a couple of days and go beyond the traditional approach of filling pet's feeding bowl with water, one option is to use an automatic dog water dispenser, or waterer as it is often called. These gravity water dispensers provide an excellent, inexpensive mechanism to keep your dog hydrated even when you are not around without the need for any power supply.

Since the COVID-19 virus outbreak in December 2019, the disease has spread to almost 100 countries around the globe with the World Health Organization declaring it a public health emergency.
