## Abstracts

High purchasing power capital and expensive yacht ownership costs are pushing cost-conscious millennials toward more cost-effective yacht rental options. The growth of the yacht rental market has been helped by younger consumers who prefer to pay to charter rather than buy out their boats for luxurious adventures. In addition, consumers seeking luxury and comfort on the road are shifting their preference from booking luxury hotels to renting yachts, which is also expected to become a profitable trend in the yacht rental market. Europe has a beautiful and large area of ideal sailing area, the region is the world's premier destination for luxury charter flights.

Since the COVID-19 virus outbreak in December 2019, the disease has spread to almost 100 countries around the globe with the World Health Organization declaring it a public health emergency.
