Abstracts

This report studies the global Mascara market status and forecast, categorizes the global Mascara market size (value & volume) by key players, type, application, and region.

This report focuses on the top players in North America, Europe, China, Japan, Southeast Asia India and Other regions (Middle East & Africa, Central & South America).

Mascara is a cosmetic commonly used to enhance the eyes. It may darken, thicken, lengthen, and/or define the eyelashes. Normally in one of three forms—liquid, cake, or cream—the modern mascara product has various formulas; however, most contain the same basic components of pigments, oils, waxes, and preservatives.

Demand for Mascara has mainly been driven by awareness of beauty and the increasing disposable incomes of consumers. Economic investment has large impact on research and National policies are also the main growth catalysts for the market.

Despite the presence of competition problems, due to the global recovery trend is clear, investors are still optimistic about this area; the future will still have more new investment enter the field. In the next five years, the sales volume will keep slow increasing but the market revenue scale is forecasted to be reduced because of price downturn.

The global Mascara market is valued at 620 million US\$ in 2017 and will reach 760 million US\$ by the end of 2025, growing at a CAGR of 2.7% during 2018-2025.
