Abstracts

This report studies the global Office Furniture market status and forecast, categorizes the global Office Furniture market size (value & volume) by manufacturers, type, application, and region. This report focuses on the top manufacturers in North America, Europe, Japan, China, India, Southeast Asia and other regions (Central & South America, and Middle East & Africa).

Office Furniture is a kind of equipment used for working in daily life and working. The technical barriers of Office Furniture are relatively low, and the Office Furniture market concentration degree is dispersed. The manufacturing bases scatter around the world; the key companies in Office Furniture market include Steelcase, Herman Miller, Haworth, HNI Corporation, Okamura Corporation, Global Group, KI, Teknion, Knoll, Kinnarps Holding, and others.

Favorable government policies and rising foreign direct investments have increased the number of MNCs in the country and also boosted the entry of foreign players. This has led to a rise in the number of offices as well as the demand for Office Furniture worldwide. Also, the growing number of companies in the technology, media, telecom, retail, financial, and transport sectors in 2014 has increased the demand of Office Furniture. Therefore, the growing demand for office space will be favorable for the growth of the Office Furniture market.

There are companies adding new capacities and aims at the cost and quality leadership which shall improve profitability. As the same time, companies are focusing on technological innovation, equipment upgrades, and process improvements, to reduce costs and improve quality. The competition in Office Furniture market will become more intense.

The global Office Furniture market is valued at 71500 million US\$ in 2017 and will reach 98300 million US\$ by the end of 2025, growing at a CAGR of 4.7% during 2018-2025.
