Abstracts

A destination wedding is a wedding that is held in a setting away from your hometown. Frequently a destination wedding and the subsequent honeymoon are celebrated at the same resort venue. Customized service for travel planning

According to QYResearch's new survey, global Overseas Wedding Design market is projected to reach US\$ 398.6 million in 2029, increasing from US\$ 237 million in 2022, with the CAGR of 8.9% during the period of 2023 to 2029. Influencing issues, such as economy environments, COVID-19 and Russia-Ukraine War, have led to great market fluctuations in the past few years and are considered comprehensively in the whole Overseas Wedding Design market research.

With the increasing access to affordable travel options and a large number of scenic locations, destination weddings have rapidly gained popularity. According to Future Market Insights, the destination wedding market will witness a year-on-year growth rate of 28.7% in 2021. As per the market analysis, the destination wedding market will generate revenue, surpassing US\$ 21.5 Bn in 2021. By 2031, the market is forecast to cross US\$ 290 Bn. Food service activities remain important and are set to account for 39% of the value share in 2021.
