Abstracts

This is an excel file with over 5,000 global pharma industry contacts at 1,600 pharmaceutical companies around the globe.

This Directory provides profiles of the international leaders in the pharma industry in Microsoft Excel format so the data can be searched, sorted and exported for other applications including mailing labels and call lists.

This Global Pharma Company Directory is an essential guide for medical institutions, researchers, equipment manufacturers and services suppliers doing business in the global pharmaceutical and biotechnology market.

Fields include:

company name and address;

telephone, fax numbers, email and website addresses;

names of senior management and board members;

description of business activities;

brand names and trademarks;

subsidiaries and associates;

number of employees;

When you purchase the global license, you're entire company will be allowed access to the file, making this an essential and reasonably-priced resource for every department.
