Abstracts

Global Dental Market is projected to cross US\$ 60 Billion mark by the year 2024 due to growing demand for better oral hygiene services and rising disposable income of people globally. Mounting awareness of the importance oral hygiene i.e. keeping the mouth and teeth clean; and can prevent cavities, gingivitis (inflammation of the gums), and bad breath is one of the major factors which helps to reach global dental market to its new glory in the coming future.

Also, factors like increasing disposable income of the people, rising demand for cosmetic dentistry, changing lifestyles, technological advancements, rising geriatric population and the participation of health insurer reimbursements than it has historically, are expected to drive the global dental market in the forthcoming years.

Patterson Companies Inc., Straumann, Dentsply Sirona, Danaher Corporation and Henry Schein, are some of the top players in the Global Dental Market. Other than that this market research report also studies following dental companies Biolase Inc., Zimmer Holdings Inc., Ivoclar Planmeca and Vivadent AG. In order to increase their market share globally in dental care market, companies are using several pioneering strategies such as new products pipeline, partnerships, mergers & acquisitions.
