Abstracts

Thailand is the leader in medical tourist arrivals holding more than 40% share in Asia medical tourist arrivals in 2011. Its medical tourism market was around US\$ 2 Billion in 2011 and it is expected to be more than double by 2015. Thailand has world-class medical facilities with its high-profile private hospitals and clinics. Thailand has been one of the favorite medical tourism destinations for all over the world. This may be primarily due to the cultural heritage, state-of-the-art medical facilities, personalized hospitality and reasonable medical costs. The country takes pride in having the first hospital to receive the first JCI accreditation in Asia. It has highest number of JCI accredited hospitals in Asia.
