

# Database on Indian Cement Plant Projects

<https://marketpublishers.com/r/DB8EF53D900EN.html>

Date: February 2014

Pages: 0

Price: US\$ 250.00 (Single User License)

ID: DB8EF53D900EN

## Abstracts

Indian Cement Manufacturers Database provides a quick and comprehensive data on 100 cement companies with a total of 250 projects' installed capacities across the country. The database provides the following information about the cement manufacturers:

Promoter Name

Project Name

Project Cost

Project Ownership

Project Date

Installed Capacity

Location (District, State, Region)

Headquarter Address

Telephone Numbers

Email and Website

## Database Highlights

These provide details of existing completed cement projects in the country.

The database reflects the present infrastructure for meeting domestic and international cement demand for the country.

### **Your key questions answered**

Provides insights about the key cement manufacturers with their detailed information to understand the existing competition, and benchmark their operations against developments in the market.

Allow new entrants to understand the market, and give in-hand information about the existing players with their plant locations and other details.

Critical for raw materials providing industries such as coal, gypsum etc. to understand the demand scenario and identify key target customers.
