## Abstracts

The statement of financial is financial statement that shows position of a company at specified date. The statement of financial position is also known as balance sheet. The balance sheet of any company contains three components: Assets, liabilities and share holder's equity. The statement of financial position is very important for investors and users of balance sheet. This assignment is basically about analysis of balance sheet. There are three parts of this assignment. This report will provide information about measurements of balance sheet, main components of balance sheet and analysis of balance sheet. Cont... (2500 words of this report)
