## Abstracts

In this report the three Questions related to Apples Inc's case study are answered in detail. (Continued...) Wordcount of report: 750 Words

## Contents

### Introduction

Should a company like Apple require suppliers to exceed-not just match-the prevailing standards for wages and working conditions in their home countries?

Is Apple ethically obligated to more aggressively share its “lessons learned” with its competitors in the computer, table and smartphone industries?

When reflecting on Apple’s position atop Fortune’s “Most Admired Companies” list, how much of an impact does its corporate social responsibility have on that positioning?

Do you think that impact will rise over time or stay stagnant?
