Abstracts

Student academic life is the main source of success from where student starts the journey towards success. There are many colleges and universities that are providing the quality education but quality education is just not enough a student requires to learn and adapt thing on his own. The careless of students are increasing in the schools and college life. The extra-curricular activities and social media is gauging the lack of interest in studies. Cheating in exams is the curse for student where student are not focusing on exams and due to stress they start to cheat instead of studying.

Some students join school only for satisfaction to get the degree. At the point when the time comes, they attempt to get the degree by cheating. In deceiving, understudies, instructors, guardians all are included. Management of schools fixing and keeping in mind that directing exams they enable the candidate to learn.continued (wordcount of report: 1500 words)
