Abstracts

The auditor makes a monetary report about the conducts of the company and it is known as auditor's report. It is stated that whether company is doing presently or not. When a company performs all actions fairly, auditor makes unqualified report. When a company does all actions in fair manner except for any misdeed, the auditors make unqualified report. When a company performs all action in incorrect way and did not follow any principle of general accepted accounting principles, the auditors make adverse reports. When a company follow standards of GAAP but does not reveal fair data, auditors show disclaimer opinions (Saxena et al., 2010). Cont... (3000 words of this report)
