Abstracts

Design code for public trade, which has started Early July 2015. The office is made of a spacious apartment with 4 rooms including a secretary room and a waiting room. This company is made for decor and internal designing which include designing and Execution. The company also imports decorative products and material from abroad and markets and sells them at the company. The company is now establishing a factory to produce these material here and a new product called “ar9if jaded “and the 3D flooring. The factory will mainly be to export and sell these two materials which are highly demanded in our society.

We have already worked in projects with AlGhanim offices and showrooms, Private villas and housing and Chalets. The business is in stage of initial operations, the distinctive edge organization has over other companies that it imports best quality materials from abroad. In addition to this they manufacture their own material. Company has well experienced staff to design and execute interiors customized according to the needs of clients. The propriety rights are reserved in the form of organizational logo under Article 77 of Commercial law for time of ten years. The designs are copyrighted for our products under article 77 from WIPO 1) ar9if jaded 2) 3D flooring.(continued...)wordcount of report:2500 words
