Abstracts

A company's practice that contains contributing in ideas that benefits environment and society is known as corporate social responsibility. Sustainability in business can be attained through corporate social responsibility as customers are considered most important part of company. In non-profit organization, the main objective of corporate social responsibility is to provide as many benefits as possible. All companies are paying complete attention on corporate social responsibility (CSR, 2015). Cont... (500 words of this report)
