Abstracts

In the life of a company, decision making process is considered vital and important. A company's management has to make several kinds of decisions. The prosperity and development of ZAIN Telecom Company widely depends on several kinds of decision the management makes on daily basis. The growth and progress of company depends on effective decision made by administration of the company. A company cannot make sufficient place in market without decision making abilities (Anon, 1991). Cont... (1000 words of this Report)
