## Abstracts

Germany is the strongest economy of the European zone and the fourth strongest with high nominal GDP in world. The total area of the country is 357,168 km square. The total population of the Germany is 81,770,900 and the population density is 227/km square. On geographical basis it is present in central Western Europe and has 16 states in the country. The main source of income of the people is agriculture, industry and business and provision of the services. Official currency of the Germany is the Euro and I choose this country as it is a member of the European zone and founded European Union. Cont... (500 words of this Report)
