Abstracts

The training program is exclusively targeted at the employees of Sultan Centre Kuwait, which is a leading grocery chain within the country. The training program has been titled as 'E-learning sessions for employee training and development'. Training is an essential part within any organization in order to ensure that the employees would perform well and are up to the mark with the latest trends of the dynamic business world (Aguinis and Kraiger, 2009). The training program is focused at enhancing the behavioral and cognitive skills of the employees of Sultan Centre so that they can better handle the consumers and enhance the overall outcome of the company. Furthermore, the training and development program is also aimed at improving the technological skills of the employees to ensure that they are up to date with the latest technologies being used in the market, and know how to use important software that could make continued (wordcount of report: 1500 words)
