Abstracts

In the current report, the author of the study has selected the celebrity who is famous for their working capabilities in the entire world. In addition to this, it has been observed that the author of the report has chosen “Lindsay Lohan” for the current report. There are numerous reasons for the selection of Lindsay Lohan as the most highlighted celebrity in the given report. One of the most important factor that become the reason for selecting Lindsay Lohan is that she is popular for her brilliant acting skills in the entire world. Along with this, she is known as one of those persons who prefer her family and friends over her professional life. Additionally, one of the most important that need to be understand is that she faced a lot mental traumas in her life. She is still struggling with her traumatic phase of life. Along with this, she is considered as one of the strongest women. According to the study of (Every et ol, 2015), it is found that the particular individual who want to stay strong in the life must have to go through the toughest phases of the life. It is due to the reason that Lindsay Lohan suffered with so many mental issues that affect her professional as well as in the personal life. This has become the main reason behind the selection Lindsay Lohan as the main celebrity for the entire report.(continued...)wordcount of report: 2000words
