Abstracts

The main objective of this research is to find the solution of the problem that occurred. This research is basically related to business project. This was conducted for Unit Bus 280. I have selected Khazana Kuwait Company. This company is basically related to manufacturing, services and distribution of frozen food items. It is mentioned above that this company is growing rapidly because of quality products and services. The more information about this company is beneficial and good. It is very important for managers and other staff of companies to know more about this company (Prentice &Jebb 2003).
