## Abstracts

An urban managerial section that possesses corporate status and authority of self government or control is known as municipality. The managing authority, commanding power of municipality is also known as municipality. Irrespective of specific purpose district, the municipality is made for general purpose administration. The word municipality is attained from French "municipalité" as well as Latin "municipalis". Each commanding power from a ruler country is also named as municipality like the Principality of Monaco. Cont... (1250 words of this report)
