Abstracts

The idea is to develop a mini super market in Kuwait that will contain all kinds of general life items in one place. This market will be a good place for those who don't want to go the large super markets and rusted areas, this super market will offer the consumers a wide range of edibles and food items in one place that is confined and offer the consumers hassle free and convenient place to shop. The dairy, toiletry, grocery and consumer good items will be offered by location near the residential areas in Salmiya that is heart of Kuwait. It will offer the consumers access to the consumer goods and save them from the hassles of traffic, going on long distances, consuming more times and effort to get the daily use products it will offer them products at economic costs in less time and offering them convenience.
