Abstracts

The main business idea is to offer organic dairy and meat. Organic milk or dairy products and meat are obtained from the animals that are bred according to the specific standards. These products will be healthier and carry more entrants as compared to the local dairy and meat products that are obtained from the ordinarily raised animals. According to the research studies these can offer 50% more fatty acids and omega 3 that are proved to be beneficial for the health of people. So, the main aim of the company is to provide the organic meat and dairy items to the people of Kuwait by relying on best quality and efficient concepts of supply chain management. The trend of organic food is likely to increase in the years to come so our product is an exact fit to the needs and demands of the consumers. (Cognizant. com, 2015). Cont...
