## Abstracts

Disney is an expanded international mass media as well as entertainment conglomerate. Head Quarter of the company is situated in the California. This is best provider of entertainment as well as information. The company is providing services in different nations (Disney Citizenship 2013 Performance summary, 2013).

In order to understand the profitability and risk position of the company, the comprehensive analysis of Disney is conducted. In this report, the profitability position and risk factors of company will be analyzed for last five years (from 2011 to 2015). In order to assess these factors, the ratios will be evaluated comprehensively. For assessing profitability, profitability ratios will be analyzed. For assessing risk factors, solvency, liquidity and efficiency ratios will be analyzed. (Continued...) Wordcount of report: 1000 words
