Abstracts

This research is related to the increased number of divorce cases all around the world, particularly in gulf region. In the past years there are increasing incidents if divorces in gulf region that is a big social issue. Particularly in last few years there is dramatic increase in cases of divorce in Gulf region. In case of Kuwait the divorce rate enhanced by 16% from 2011 that is an alarming situation. A good family system carries great importance for development and societal betterment in any country, so this issue is worth investigating and resolving. As I live in this area and being a student in social sciences I developed interest in investigation of its causes and how we can take steps in order to get rid of this negative trend in our society.
