Date: September 2008

Pages: 80

Price: US\$ 1,771.00 (Single User License)

ID: C94D212852BEN

Abstracts

The data of the report is quoted from the National Bureau of Statistics and some authorities such as relevant associations and our research center. With numerous interviews of experts and entrepreneurs in the field, the report is enriched with a large number of first-hand information and materials. It also carefully chooses several successful Chinese mail order providers, conducts a case study on their experience and discusses the opportunities.
