Abstracts

The report covers the analysis and forecast of the luxury apparels market on global as well as regional level. The study provides historic data of 2016 along with the forecast for the period between 2017 and 2025 based on revenue (US\$ Mn).

The study provides a detailed view of the luxury apparels market, by segmenting it based on by material, by end-user, by distribution channel and regional demand. Rapid urbanization and increasing disposable income of consumers are the major factors driving the growth of global luxury apparels market during the forecast period. Huge scope in buying process of luxury apparels further contributes to the growth of the market in near future.

Regional segmentation includes the current and forecast demand for North America, Europe, Asia Pacific, Middle East and Africa and Latin America. The segmentation also includes by material, by end-user and distribution channel in all regions. These include different business strategies adopted by the leading players and their recent developments.

A comprehensive analysis of the market dynamics that is inclusive of market drivers, restraints, and opportunities is part of the report. Additionally, the report includes potential opportunities in the Luxury apparels market at the global and regional levels.

Market dynamics are the factors which impact the market growth, so their analysis helps understand the ongoing trends of the global market. Therefore, the report provides the forecast of the global market for the period from 2017 to 2025, along with offering an inclusive study of the luxury apparels market.

The report provides the size of the luxury apparels market in 2017 and the forecast for the next eight years up to 2025. The size of the global luxury apparels market is provided in terms of revenue. Market revenue is defined in US\$ Mn. The market dynamics prevalent in North America, Europe, Asia Pacific, Middle East and Africa and Latin America has been taken into account in estimating the growth of the global market.

Market estimates for this study have been based on revenue being derived through regional pricing trends. The luxury apparels market has been analyzed based on expected demand. Bottom-up approach is done to estimate the global revenue of the luxury apparels market, split into regions. Based on material, end-user and distribution channel, the individual revenues from all the regions is summed up to achieve the global revenue for luxury apparels. Companies were considered for the market share analysis, based on their innovation and application and revenue generation. In the absence of specific data related to the sales of luxury apparels several privately held companies, calculated assumptions have been made in view of the company's penetration and regional presence.

The report covers a detailed competitive outlook that includes the market share and company profiles of key players operating in the global market. Key players profiled in the report include Christian Dior SE, Louis Vuitton SE, Nike Inc., Giorgio Armani S.p.a., Michael Kors Holdings Ltd., Hugo Boss AG among others.
