Abstracts

Global industry observer (GIO) is a monthly journal encompassing 15 industries. GIO's advantage rests in the diverse range of products and companies at a single platform. It takes a closer look into the companies and products that are analysed and comprehended with up-to-date data and the changing dynamics of the industries.

COMPANY ANALYSIS: A comprehensive analysis of companies listed in Bombay Stock Exchange (BSE) which provides insider's view on company's history, financial stability and industrial ranking with financial forecasts over a period of two year.

PRODUCT ANALYSIS: In depth analysis of industry specific products assisted with data and graphs and focus on key markets, current trends, developments and innovations, issues and challenges in global as well as domestic market.

GIO is an invaluable resource on a wide range of key metrics and indicators of various industries enabling the stakeholders in more informed decision making.
