ABSTRACT

Established in 1978, as a partnership firm and converted into a limited company in 1990, NCC (Nagarjuna Construction Company Limited) has progressed consistently over past three decades. Today, the company is among the top three construction companies in India in terms of revenue.

NCC has well diversified operations and has foothold in every segment of construction sector. The company undertakes civil construction in segments such as buildings, water, roads, irrigation, power, electrical, railways, metals, mining and has also a presence in the Middle East where it currently undertakes works in roads, buildings, and water segments

Its size and scale of operations has helped to pre-qualify the larger projects. Backed by strong execution teams, the company in FY16 executed around 200 projects at various locations.

RECENT DEVELOPMENT

NCC Limited has reported a 2% increase in net profit at Rs582.7 million for the quarter ended December 2016 as compared to Rs570.3 million in the corresponding quarter previous year.
