The Retail Performance Monitor™ is an essential tool for analysts, investors, and business, financial and marketing executives who need to stay ahead of developments in the US retail industry. Distributed monthly, features include financial performance, bankruptcies, mergers and acquisitions, industry change agents, trends, economic indicators and executive updates. It is produced by Bernard Sands' senior retail industry analysts.

The General Merchandise Comp Store Sales Report covers historical reported comparable sales trends for major US retailers, providing a summarized quick view, as well as commentary to keep current and long-term trends in perspective. This is essential knowledge for retailers, their investors, and their suppliers.

In every Retail Performance Monitor:

Financial Performance

Overview of comp store sales

Bankruptcies

Mergers & acquisitions

Industry change agents

Trends

Economic indicators

Executive updates

Shopper Trak Data on Store Traffic

In every General Merchandise Comp Store Sales Report:

Department Stores and Discount Stores Sales Data

Specialty Retailers' Sales Data

Apparel Retailers' Sales Data

BIGresearch Consumer Shopping Trends

8-Year Historical Comparable Sales Data

Summarized Monthly AND Quarterly Results
