Price: US\$ 1,000.00 (Single User License)

ID: WC00E6B2D68EN

## Abstracts

The Worldwide Fixed Broadband Network Subscriptions Forecast report provides network subscription forecasts for up to a five year period. Numerical results in the report are presented in a comprehensible graphical style with granularity levels varying from a global level to specific operators and technologies in a country. Figures from the report can be used to track investment opportunities and market behavior besides sizing and segmenting the fixed networks market.
