Abstracts

Hair care products are those that help to control the properties and behavior of the hair so that it can be maintained in a controlled and desirable manner. According to a report by StrategyHelix, the hair care products market in Guatemala is projected to expand by a CAGR of 6.4% from 2021 through 2027. Continuously rising personnel disposable income levels, increasing adoption of a modern approach to grooming practices, increasing cases of hair loss among men, coupled with the rising prevalence of scalp disorders and hair loss are expected to boost the market growth in the coming years.

The report provides up-to-date market size data for period 2017-2020 and forecast to 2027 covering key market aspects like sales value for hair care products. The Guatemala hair care products market is segmented on the basis of price range, product, and distribution channel. On the basis of price range, the hair care products market in Guatemala has been segmented into prestige product, mass product. The mass product segment held the largest revenue share in 2020. By product, the hair care products market in Guatemala has been segmented into shampoos, hair colorants, conditioners, perms and relaxants, styling products, hair loss treatments, salon hair care. Among these, the shampoos segment was accounted for the highest revenue generator in 2020. Based on distribution channel, the hair care products market in Guatemala is categorized into supermarkets & hypermarkets, specialty stores, online retailing, others.

The conditioners market is further segmented into traditional conditioners, and intensive conditioners. In Guatemala, the traditional conditioners segment made up the largest share of the hair care products market. Furthermore, the styling products market has been categorized into hairsprays, hair mousses, hair gels, and others. The hairsprays segment was the largest contributor to the Guatemala hair care products market in 2020. The shampoos market is further divided into standard shampoos, 2-in-1 shampoos, medicated shampoos, and others. The standard shampoos segment is estimated to account for the largest share of the hair care products market in

Guatemala.
